Progress:

Website finished.

Decisions made about project:

- 2D Visualisations
- PC platform only
- Will do all navigation parts (speed, stop game, pause rewind)
- Statistics to be shown
- High scores on website
- Network? – to be researched
- AI not required for game, maybe for ant brain
- Abstraction of ant-brain code

Actions:

Finalise Timescales.

Teams to update PERT chart.

Research client server over the weekend ready to make decision on Monday.

Get Project Plan 75% finished before Monday.

Next Meeting(s): Monday 20th February 2012: Catch-up Meeting, outside Pevensey
